

Fall 2016 Club Funding Decisions - Final - EngSoc Final Fall 2016 Decisions

Club	Amount Requested	Amount Approved	DECISION
ALChemE (Association of Leadership in Chemical Engineering)	\$675.00	\$375.00	- Funded the same as last year - Budget showed increase in expense but didn't do all events last year
ASHRAE (American Society of Heating and other things)	\$50.00	\$50.00	- Lots of professional events
BEST (Bioengineering Student Association)	\$450.00	\$400.00	- Lots of professional events - Funded similar to last year
CAFE (Canadian Association of Food Engineers)	\$450.00	\$450.00	- Similar to last year
ChemE Car	\$4,000.00	\$0.00	- Already funded in Summer Funding
Concrete Toboggan	\$3,000.00	\$2,000.00	- Requesting \$2000 from conference funding as well - Ask for additional funding from corporate sponsors to offset higher competition costs
CSChE (Canadian Society for Chemical Engineering)	\$1,000.00	\$0.00	- Already funded them in Summer Round
EFCC (University of Toronto Engineering French Conversation Club)	\$60.00	\$60.00	- \$60 is not a lot, fair amount of students in club
EMC (Engineering Movie Club)	\$80.00	\$0.00	- Already funded in the Summer Round
EWH (Engineering World Health)	\$1,500.00	\$0.00	- Budgeting for a massive surplus - Already have a \$2500 carryforward - Charge students for Symposium (100 people) or look for cheaper catering
Galbraith Society	\$1,000.00	\$400.00	- Excessive food costs, recommend cutting back for most events - For large events expect people to pay for catered dinner events
GEDA (Global Engineering Design Association)	\$400.00	\$325.00	- Remove \$500 worth of food for proportional rebate
IEEE (Institute of Electrical and Electronics Engineers)	\$2,000.00	\$2,000.00	- Funding same as last year - Expenses increased from last year - Food expenses are slightly higher than acceptable
iGEM	\$500.00	\$500.00	- Some engineering students - Good events
IISE (Institute of Industrial and Systems Engineers)	\$0.00	\$0.00	- Apply to Conference Funding
Iron Dragons	\$4,500.00	\$3,600.00	- Give same amount as last year + UTSU funds that were lost
Iron Sports	\$650.00	\$0.00	- Apply to EAA for money - 400 non engineering students vs. 20 engineers - Apply for more from UTSU
MAKE (Multidisciplinary Analytical Kinesthetic Education)	\$450.00	\$200.00	- Ask for more faculty support - A lot of expenses on materials that are given away at events; should charge students
MCI (U of T Music Clubs Initiative)	\$700.00	\$100.00	- Only 25% engineering students - Ask for more money from UTSU - Similar services/ opportunities already available to Engineering students
MechEngage	\$300 or \$200	\$100.00	- Large carryover - Received \$500 from UTSU somehow (can we assume that this is a mistake?) - Large amount of food expenses
MIC (Materials Industry Club)	\$600.00	\$150.00	- Funded similar to last year - Some events duplicates of other clubs (resume workshops) - Apply for Conference funding for conference expenses
MIE Mentorship	\$500.00	\$0.00	- Mech/Indy Club should be running and supporting this initiative - Retained earnings can cover costs for the year
NSBE	\$1,000.00	\$1,000.00	- High food costs - Apply for conference funding for Convention - Use proper CPSIF budget template
NSight	\$100.00	\$0.00	- Apply in winter with corrected budget (it is questionable at the moment) - \$900 carryover
NSpire	\$0.00	\$0.00	- Did not ask any money from EngSoc
OWWA (Ontario Water Works Association)	\$300.00	\$200.00	- Apply to GSU & UTSU - A lot of food & gift expenses
PDAC (Prospectors and Developers Association of Canada Conference)		\$0.00	- Not affiliated with the Engineering Society
Project Include	\$500.00	\$200.00	- Trial status so needs to show better potential for longevity - Laptop & projector costs unnecessary
RSX (Robotics for Space Xploration)	\$6,000.00	\$4,000.00	- \$6000 includes \$2000 from conference funding - \$4000 similar to what they've received last year - suggest moving to levy
SAF (Skule Arts Festival)	\$650.00	\$650.00	- Same amount as last year
SEA (Sustainable Engineers Association)	\$2,500.00	\$1,500.00	- Hosting conference this year - Look for industry sponsorship for the conference - Conference costs are much higher than last year and conference fees only cover a small portion - Match last year: \$1500
SFC (Students Fighting Cancer)	\$300.00	\$300.00	- Provides good support to the community
SGT (Skule's Got Talent)	\$1,000.00	\$1,000.00	- Good initiative, good reason for cost increase - Try to ask for money from other sources
Skule Badminton Club	\$1,000.00	\$250.00	- Partially funded because Engineering Athletics Association should be subsidizing most of their expenses - T-shirts should be sold for profit or at-cost, not subsidized
Skule Choir	\$300.00	\$0.00	- Already funded in summer round
Skule Dance Club	\$660.00	\$400.00	- Pizza expenses will not be reimbursed by EngSoc
Skule Orchestra	\$2,000.00	\$2,000.00	- Be more specific about miscellaneous costs in the future - Good initiative
Skule Pokemon League	\$300.00	\$0.00	- Already funded them in Summer round
Skule Smash Brothers	\$800.00	\$100.00	- Either host tournaments in the Pit or charge students if you want to use nicer rooms - free room bookings through engsoc - Giving money for miscellaneous including repairs
Society of Petroleum Engineers_ U of T Student Chapter	\$750.00	\$750.00	- Justified food costs

Fall 2016 Club Funding Decisions - Final - EngSoc Final Fall 2016 Decisions

Spark Design Club	\$2,000.00	\$2,000.00	- Cost increase is justified - Do good work and initiatives - \$800 from UTSU
Stageband	\$3,400.00	\$1,900.00	- Hart House Farm should not be subsidized by Engsoc - Same as last year
SuitsU	\$1,900.00	\$500.00	- Marketing & room booking costs are extremely high - Team building should not be funded from us - EngSoc is not supposed to be giving money to charity
Supermileage	\$3,000.00	\$3,000.00	- Consistently do well in competitions - Expenses justified
Tales of Harmonia	\$300.00	\$300.00	- Justified costs
Troitksy Bridge Building Club	\$1,000.00	\$200.00	- Conference costs should be applied to conference funding - Trial status so needs to show better potential for longevity
TSAA (Toronto Students for the Advancement of Aerospace)	\$2,000.00	\$200.00	- Should be charging people for this event - Don't fund alcohol - Budget is messy and not straightforward, include CPSIF revenue streams - Provide more details - Trial status so needs to show better potential for longevity
U of T Solar House Design Team		\$0.00	- Not affiliated
University of Toronto Baja Team	\$3,500.00	\$3,000.00	- Apply for more corporate sponsorship - recommend apply for levy
University of Toronto Biomed Team	\$500.00	\$300.00	- Should be charging members for the competition - Note: \$180 Individual fee for Jamboree does not reflect USD conversion rate
University of Toronto Business Association	\$500.00	\$0.00	- Food costs per person are too high - Not charging students for food at special events - Marketing costs are a lot of merchandise for giveaways - \$450 executive social will not be funded
UofT Mining Games	\$2,000.00	\$0.00	- Not an affiliated club - Apply through conference funding
UTCA (Consulting Association)	\$1,000.00	\$900.00	- Engineering Society provides AV for events - Recommend asking for more from UTSU based on their membership
UTEFA (Engineering Finance Association)	\$500.00	\$0.00	- Need more details about what the banking and trading fees are going towards (i.e. is the club using trades for teaching purposes or for personal gain), how many people are trading, are these individual accounts or one large club account - Appeal with additional details
UTEFR (Emergency First Responders)	\$400.00	\$400.00	- Good club with good initiatives
UTEN (Energy Network)	\$800.00	\$0.00	- Already gave money in Summer Round
UTET (Toastmasters)	\$250.00	\$0.00	- Budget does not make sense, expecting \$1400 in profit but asking for money
UTII (University of Toronto Industry Insights)	\$200.00	\$100.00	- Cost of food is too excessive, but events are beneficial to students
UTKESA (Korean Engineering Students' Association)	\$3,000.00	\$0.00	- The budget indicates that they do not need our funding - Registration/member costs cover all their expenses - We will not be funding money for food and beverages at general meetings; also not spending money on executive jackets - Can appeal with an updated budget if they want EngSoc to subsidize costs
UTMPC (University of Toronto Math and Physics)	\$600.00	\$0.00	- We recommend doing it through personal reimbursement, bank account not necessary - Need more breakdown of costs - Only 40% students are engineers but only asking for money from EngSoc
UTRA (University of Toronto Robotics Association)	\$0.00	\$0.00	- Receive a Levy from EngSoc - Submitted a UTEK budget
UTSD (Seismic Design Team)	\$1,000.00	\$0.00	- Already applied in Summer Funding round
VEEP (Volunteer Engineering Experience Program)	\$575.00	\$300.00	- High food and social event costs - Recommend they get team members to pay for socials - \$1300 / \$2000 is food and socials - Good club initiatives
Water Environment Association of Ontario)	\$400.00	\$300.00	- Recommend cutting down on food expenses - \$300 carryforward not included into the budget for this year
Wise	\$2,000.00	\$0.00	- Approve \$0 and ask tell them to appeal with a proper budget - Set up a meeting
World-Mining-Competition	\$800.00	\$0.00	- Not affiliated - Apply for conference funding
Blue Sky Solar Racing		\$0.00	- Levy group, not funded through club funding
EngSci		\$0.00	- Discipline club, not funded through club funding
EWB		\$0.00	- Levy group, not funded through club funding
iLead_ Grad		\$0.00	- 100% graduate student club
Professional Outreach		\$0.00	- project directorship; not funded through club funding
SkuleAO		\$0.00	- project directorship; not funded through club funding
UTEK		\$0.00	- project directorship; not funded through club funding
Bridges to Prosperity	\$2,000.00	\$2,000.00	
Muslim Student's Association	\$2,000.00	\$1,000.00	
Mechatronics Design Association (MDA)	\$3,000.00	\$2,000.00	
TOTAL	\$72,350.00	\$41,460.00
