## Food Deals for the Engineering Society

As a valued ambassador of the Engineering Society, you can take advantage of our corporate deals to feed students at your events. The following discounts are currently available:

### Pizza Nova

Pizza Nova offers discounts on party size pizzas.

- Party size pizza (24 squares) for \$15.75 (one topping).
  - \$2.95 per additional topping.
- Delivery charge applied to orders of less than five pizzas.

Steps to order:

1. Call (416) 439-0000 and ask for customer service.
2. Tell them you are ordering on behalf of the University of Toronto Engineering Society. Give them this account phone number if necessary: 416-978-2917.
3. Place your order. Provide a delivery address (i.e. Sanford Fleming is 10 King's College Road or another address on campus) and room number. Provide them with a contact **from the club** (i.e phone number) for delivery.

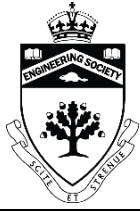

**Important:** You must provide Pizza Nova with the information of a contact person. If pizza is delivered to the Engineering Society Office and we do not know which club ordered it, we will have to ask them to return it.
